

BENTON COUNTY WIRELESS INTERNET SERVICE AGREEMENT

(Before signing, read this document carefully.
It constitutes a legal and enforceable contract.)

1. INTRODUCTION

Mainstream Fiber Networks, LLC ("MSFN") and the undersigned party ("Subscriber") enter into this Internet Service Agreement ("Agreement") as follows:

Internet Services: the term "Services" shall mean the Internet access made available and any other services that MSFN may provide to Subscriber either now or in the future. Services are delivered through connectivity to MSFN installed (whether by MSFN or its authorized agents) equipment ("Equipment"). Subscriber shall not sell, rebroadcast, transmit, share, trade, transfer, etc., any of such Services without MSFN's express, written consent. If MSFN determines that Subscriber has utilized Equipment (or any related equipment) or sold, leased or otherwise given possession or allowed the use of any of the same to any unauthorized party, MSFN may terminate this Agreement; and, in addition to all other applicable fees, Subscriber shall pay MSFN the full commercial usage rate for such unauthorized Services and their contents or the unauthorized use thereof (including their contents) as to Subscriber and as it regards each such unauthorized third parties, in any case, regardless of whether MSFN has or had the commercial rights to such Services. The payment of that amount and/or the termination of Services shall not prejudice MSFN's ability to exercise any other rights and remedies we MSFN may have under this Agreement, at law or in equity.

Services and MSFN-supplied Equipment are listed in Subscriber's Order Sheet (incorporated in this Agreement together with any future modifications to said Subscriber's Order Sheet). Subscriber should read and understand the Explanation of Services found on MSFN's Website at <https://msfiber.net/mainstream-wireless-benton-county>

This Agreement shall be effective and binding on the parties as of the date signed by Subscriber.

SUBSCRIBER AND MSFN ENTER INTO THIS AGREEMENT, IN SOME CASES, TO FACILITATE MSFN'S BUILDOUT SCHEDULE. IN SUCH CASE MSFN MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO THE DATE ITS NETWORK IS BUILTOUT AND READY FOR SUBSCRIBER CONNECTION. IN THE EVENT MSFN DETERMINES THAT CONNECTING A PARTY DESIRING TO SUBSCRIBE IS NOT COMMERCIALY REASONABLE, MSFN SHALL SO NOTIFY SAID PARTY AND, IN THAT CASE, THIS AGREEMENT IS TERMINATED AND SAID PARTY HAS NO FURTHER OBLIGATION TO MSFN.

1. SUBSCRIPTION REQUIREMENTS

A. **Contractual Requirements:** Subscriber must be at least eighteen (18) years of age.

B. **Equipment:** Subscriber is responsible for the safety and security of MSFN's Equipment. Should such Equipment be stolen or damaged, Subscriber will be required to pay for applicable Equipment replacement and installation costs beyond that of "normal" wear and tear. Subscriber shall not relocate or tamper with the Equipment. Equipment as provided for Subscriber's use contains certain components and software proprietary to MSFN and/or its vendors. Subscriber agrees not attempt to reverse-engineer, decompile or disassemble any software or hardware contained within Equipment. Such actions are strictly prohibited and may result in the termination of Services and/or legal action. Failure to return Equipment in good working condition, ordinary wear and tear excepted, at the end of the Agreement will result in Subscriber being charged the full replacement cost of such Equipment.

2. TERM, PRICING AND INSTALLATION:

This Agreement shall commence upon the initial Services activation date and shall continue month to month. This Agreement shall continue until terminated according to its terms by Subscriber or MSFN.

A. Subscriber Information:

In the event Subscriber chooses not to accept such price increase, Subscriber may terminate Services according to the terms set forth below in paragraph 3.E.(2). If such termination notice is not received by MSFN, this Agreement shall continue and Subscriber is deemed to have accepted such modifications and is obligated to perform accordingly.

C. Commencement of Installation:

MSFN (or its authorized agents) will commence the installation process once Subscriber notifies MSFN by calling MSFN Customer Service at 844-752-6736.

By entering into this Agreement, Subscriber grants MSFN (or its authorized agents) a license to enter upon Subscriber's premises during normal business hours or at such time as may be mutually agreed by the parties (1) to install and maintain Service and Equipment; and (2) at the termination of Services to remove Equipment.

(2) Cancellation of Service; Return of Equipment

Cancellation notice may be made by Subscriber by telephone or by e-mail. All equipment must be returned within five (5) business days of service termination. (3) Service and Pricing Changes

Any Services added or deleted by Subscriber and any pricing or Services changes made by MSFN shall be reflected on an amended Subscriber's Order Sheet which shall be subject to and hereby incorporated in this Agreement and shall supersede any prior versions of Subscriber's Order Sheet. Any revised Subscriber's Order Sheet shall be effective upon delivery to Subscriber. Such newly agreed Services shall be prorated, as required, and billed at the next regular billing. It is provided however, that any change in Services or pricing of Services, (1) extending beyond the Initial Term and (2) stated on the face of the Subscriber's Order Sheet shall be effective without additional notice and Subscriber shall be obliged to perform according to the terms of such Subscriber's Order Form.

(4) Service and Support: MSFN provides technical support, service and repair at best effort for equipment owned and installed by MSFN at no cost to Subscriber provided such repairs or replacements are not required as a result of the acts or negligence of Subscriber or any other person. Generally, this means the equipment and materials used in the delivery stream up to and including the access termination point. If MSFN responds to a service request and

determines the problem to be in equipment or systems not owned and installed by MSFN, the Subscriber may be charged for professional services, and the rate is posted on our website at <https://msfiber.net/explanation-of-services/>

(5) Returned Checks; Declined Credit Cards; or ACH Failures: Subscriber (1) shall be charged and (2) is then obliged to pay \$50.00 for each returned check, ACH failure, or credit card decline for whatever reason, including but not limited to, insufficient funds, closed account or post-dating; and, MSFN, in its sole discretion, may elect to terminate this Agreement.
